Celebrating Student Success

What began as a trip to Las Vegas for Christian to experience the Darts World Tournament and meet professional players unexpectedly turned into a significant competitive achievement. This past week, he entered the Dartslive C Flight singles side event and surprised everyone by finishing in the Top 4 of his division. Notably, Christian is the first and only youth

player to ever compete in this international Dartslive tournament in Las Vegas, attracting considerable interest from established world players who were eager to learn about the young competitor from Toronto.

Arrival and Dismissal

Please use the Drop and Go area for student drop-off and pick-up only. No parking is allowed. Do not park or stop on the left lane of the drop and go. It is not safe for your child to cross the lane.

Your cooperation in ensuring student safety is greatly appreciated.

Teacher Created Mental Health and Wellness Site

Our teachers have created a [website](#) for our community on Mental Health and Wellness. Please take the time to explore the website. They will also present this at the Wellness Fair on May 29th.
